Summary

Motivated Front-End Developer skilled in JavaScript, HTML, CSS, TAILWIND CSS, and BOOTSTAP. Passionate about building responsive, user-focused web applications. Eager to contribute to innovative teams and grow in a remote work environment.

Work Experience

Frontend Development Mentor — Manful ICT Hub

- Delivered interactive lessons on web development technologies such as HTML, CSS, JavaScript, Tailwind-css and bootstrap to diverse groups of learners.
- Created engaging and easy-to-follow course materials, including slide presentation, coding exercises, and hands-on projects.
- Provided personalized guidance and mentorship to students, helping them build foundational skills and overcome learning challenges.
- Collaborated cross-functionally with designers and product managers to implement dynamic frontend features using JavaScript, Tailwind, and Bootstrap, enhancing user experience.
- Taught best practices in web development, such as clean coding, version control with Git and optimizing websites for performance and accessibility.

Education

Adiaha Obong Secondary School

Akwa Ibom State, Nigeria | 2013 – 2019 Graduated
